

ROCKIN' WITH THE CLASS OF 1970

It may seem like only yesterday, but if you graduated from high school or college in 1970, that's 40 years ago. Songs in the top 10 back then included "Which Way You Goin' Billy," "American Woman," and "Mama Told Me Not to Come". But wait! When you started your freshman year in the fall of '66 the hits were "You Can't Hurry Love," "Bus Stop," and "Cherish". Return with us now to those thrilling days of yesteryear when Oldies Night @ The Library salutes the Class of '70.

The time travel will take place on Friday, September 3 in the Albee Room of the Milton-Freewater Public Library. From 7:30 to 10:30 p.m. We will play lots of oldies that the oldies radio stations have forgotten. The library is located next door to City Hall at 8 S.W. Eighth Avenue. Admission is free and everyone is welcome. No additional charge for the great memories these songs will stir up.
