Longtime City of Milton-Freewater resident and City Councilor since January 9, 2017, Verl Pressnall passed away October 14, 2020 from a long battle with cancer. During his time serving as a City Councilor he proved his dedication to the position and to the citizens he represented. Even through his cancer treatments he showed up with a big smile on his face, his hallmark positive, calm attitude and was well prepared for the meeting. Councilor Pressnall always voted with decisions that he felt were best for the citizens of Milton-Freewater. He was a pleasure to work with and for. We will sincerely miss him. Our heartfelt sympathy and condolences go out to his wife Kandy and their family.

xpress BILL PAY

NEW! Mobile App for iPhone and Android

It's here! The long-awaited, new Xpress Bill Pay app has arrived— and just like you asked, this app is now available for iPhone and Android. Now it is easier than ever for customers to conveniently pay their bills, any time, anywhere, on their smartphone, desktop or tablet. In addition to the same great features customers have already utilized on our app, including paying utility bills quickly and securely with credit, debit, or bank account; viewing billing and payment history; signing up for paperless billing and email notifications; setting up and managing Auto Pay; and updating their payment information, the new app has additional features that make it better than ever. The new app is free to download from the Apple App Store and Google Play Store. The old and new app still work for the iPhone; however, the old version of our app is no longer available for download. Those using the old app will receive a notification to download the new version.

New Features: New interface Ability to view additional billing details such as: • Account number • Service address • Bill due date • Billing period end date • Breakdown of the bill charges

Winter Tips:

Now is the time to close your foundation vents and replace the filter on your heating system.

Check/replace the weather stripping on your entry doors and caulk around your windows.
