

Since 1889

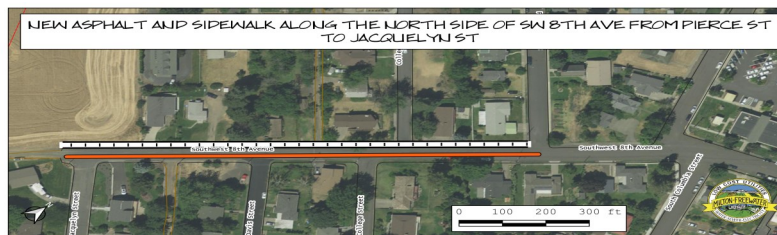

City of Milton-Freewater spring 2021 Pedestrian and Road Improvements

WHO will be affected?

Those that travel along, reside or visit North Elizabeth Street from NE 5th north to City Limits; Dahlia Street; Walnut Street from SE 15th south to SE 18th; SW 8th Ave from Pierce west to Jacquelyn; SE 12th Avenue (east of S. Mill) to end of existing pavement and Chestnut Street south of SE 12th Ave to Thorn Avenue.

WHAT is happening?

Public Works Engineering Tech II

WHEN is this going to happen?

Bids were received on February 26th and forwarded to our Honorable Mayor and City Council at their March 8, 2021 meeting. Council approved the bid award to Humbert Asphalt, Inc. of Milton-Freewater, Oregon in the amount of almost \$1.19 million for the above projects at that time. Work is planned to begin in March/April and completion is aimed for mid-August to early September 2021.

HOW is this being funded? Back in 2018 the City was notified of being the recipient of funding from Oregon Legislature House Bill 2017 in the amount of \$3 MILLION DOLLARS for use specifically within the city limits of Milton-Freewater for specific pre-approved transportation projects. We were beyond thrilled to receive these funds! So far these funds have covered the cost of the chip seal from the traffic light at the intersection of SW 2nd and S. Main/Hwy 11 north to East Broadway west to North Main East on NE 8th Avenue and North on Lamb Street to the northerly city limits. So far the chip sealing along with permitting, advertising, engineering and construction bids bring the total expenses to just under half of the \$3 million leaving just over \$1.5 million dollars to complete the remaining pre-approved projects listed within the agreement. We have until August 2023 to wrap up projects eligible under this funding.

CHECK TO MAKE SURE YOUR WATER METER IS NOT COVERED UP

Please ensure your water meter is not covered. It is your responsibility to keep the lid clear and free of debris so the meter can send the electronic read to our computer system at City Hall. When they are covered they cannot read so an employee is sent out to troubleshoot what the problem is.

To avoid this disruption and the potential fine for an inaccessible meter we are reminding all of our customers to be sure they are not parking, allowing vegetation to grow, or planting anything over the top of the meter.

For City Refuse customers, this year's Spring Clean up event will be April 16 & April 17, 2021.

Please remember to bring you ticket as well as current utility bill to the event.

Visit us online at www.mfcity.com under Departments/ Public Works for more information or give us a call at 541-938-8270, 8272 or 8274.

IT IS IMPORTANT TO KNOW THIS BEFORE YOU GO TO THE DEPOTS:

RECYCLING in 
MILTON-FREEWATER

640 County Rd
Open 12 Noon—4 p.m.
Tuesday & Thursday
8a.m.—12 Noon Saturday

13 SE 9th & S Mill
