**THE  
CITY OF  
MILTON-FREEWATER**

---

**Is your dog  
LICENSED???**

# DID YOU KNOW....

---

- The Milton-Freewater Municipal Code **REQUIRES** Dog Licensing for all dogs over six (6) months of age.
  - The maximum number of adult dogs allowed at any residence is three (3).
  - Boarding and Breeding Operations/Kennels are not allowed within the City of Milton-Freewater.
  - A valid Rabies vaccination is required to purchase a dog license.
- 

## WHY SHOULD I LICENSE MY DOG?

---

- ✓ You can be cited for failure to comply with the City Code.
- ✓ License Tags are a GREAT form of identification.
- ✓ Dogs that are licensed are much more likely to be taken home rather than impounded by Code Enforcement if they are found running loose.
- ✓ Dog Licensing funds support Code Enforcement services.

## HOW TO REPORT AN ANIMAL PROBLEM

---

*Try talking to the person, who owns the dog, some issues can be solved on a neighborly level.*

*If you are not comfortable with talking to the owner or if it didn't resolve the issue call and report the issue to Code Enforcement.*

*If the situation was reported and got better for a short time and now is a problem again be sure to report the new complaint so that Code Enforcement knows that this needs to be addressed again.*

*Please report all animal issues by calling:*

*938-5511*

## WHAT TO DO IN AN ANIMAL EMERGENCY

---

- ❖ **Stay Calm;** getting panicked will only agitate an injured animal more.
- ❖ **Be careful;** even the most beloved family pet will bite as a response to pain.
- ❖ **Call your Veterinarian** and seek veterinary advice regarding the situation to determine if your pet needs to be seen immediately.
- ❖ **For badly injured strays you can:**
  - Take the animal in for treatment at your expense.
  - Call Dispatch for Code Enforcement to respond.

*(Funds are very limited for injured animals.)*
