NOTICE – EFFECTIVE IMMEDIATELY CHANGE TO ACCEPTABLE RECYCLABLE MATERIAL

USED COOKING OIL WILL NO LONGER BE ACCEPTED AT OUR COUNTY ROAD RECYCLING DEPOT

Date: February 16, 2024

We have been notified by the company that collects our used cooking oil that they are no longer able to provide this service due to new traceability guidelines they must follow in their reuse process. We are sorry for this inconvenience, but are grateful to have had this FREE opportunity while we did.

PLEASE do not put used cooking oil and grease down your drains! Please put those materials in a sealed container and place them in your trash can.

If you have questions, please contact the Public Works Department at 541-938-8270, 8272 or 8274.
