COMMERCIAL CARDBOARD RECYCLING COLLECTION OPTIONS

On-site commercial cardboard recycling collection service is available as follows for clean, flattened corrugated cardboard:

Self-haul – Take your flattened cardboard to one of our depots during operating hours for no additional fee. You pay the monthly \$4.57 and no more.

Commercial on-route – You are allowed **UP TO ONE CUBIC YARD OF PROPERLY PREPARED CARDBOARD PER PICKUP** for additional fees as outlined based on the number of pickups or yards. If you are interested in this additional service, please complete form and return it. If you have more than one cubic yard you are responsible to increase your service level or haul it to one of the depots during regular depot hours.

Rates are as follows for self-haul and commercial on-site collection. Below are the rates effective July 1, 2023 by Resolution No. 2518.

RECYCLING

Recycling Fee – charged to each residential or commercial unit. Recycling program is required by Oregon Opportunity to Recycle Act.	\$4.57/month	
Commercial/Business Recycling Collection, up to one cubic yard of properly prepared cardboard per pickup. This fee is in addition to the minimum recycling fee.	1 pickup per week	\$110.00
	2 pickups per week	\$220.00
	3 pickups per week	\$330.00
	4 pickups per week	\$440.00

NEED BIGGER?

Commercial on-site metal roll-off drop boxes – These are based on availability and your recycling service level. We have some 30 cubic yard drop boxes with lids that we provide to our larger generating customers. These are placed on your property to be filled with properly disposed of cardboard only. You are charged a monthly rental fee for the drop box and a haul fee when the container is hauled. You are responsible to contact us when you are ready for the bin to be hauled. If you put anything other than clean, flattened corrugated cardboard in the bin you will be billed the equivalent time or landfill fees to sort the recyclables.

Rates are as follows for self-haul and commercial on-site collection. Below are the rates effective July 1, 2023 by Resolution No. 2518.
