REDUCE – choose more environmentally friendly packaging (i.e., recyclable boxes and bags, buy in bulk)

REUSE – Donate or sell items that you no longer want or need that are still in working condition. Reuse items such as boxes and bags. Choose reusable options rather than single use.

RECYCLE – Take properly prepared, accepted items to our depots for recycling rather than filling your trash can. Saves space in the landfill and hauling costs.

Recycling is important! Protects natural resources by reusing materials and reducing the waste stream.

Save Earth's natural resources & landfill space.

RECYCLE RIGHT!

- **CHECK** the list of accepted items before you go. Only bring properly prepared and accepted items to the depots.
- **GATHER** empty and dry recyclables.
- **DROP-OFF** recyclables during depot hours.
- **REPEAT!**
