With the shelves cleared of toilet paper in stores, and people possibly having to resort to using alternatives like wipes, the City of Milton-Freewater would like to kindly remind you of the only items that should ever be flushed down the toilet are the **THREE Ps** –

Pee, Poo, and (Toilet) Paper

Just because the package says flushable doesn't mean it's true. Many items marketed as disposable and/or flushable do not degrade like toilet paper, and they wind up clogging pipes, getting stuck in pumps, and cause messy sewer backups.

REMINDER – Never flush the following items. Toss them in the trash instead.

*Baby/Facial/Cleaning Wipes
Sanitary Napkins
Tampons
Medication
Hair
Dental Floss
Cotton Swabs/Balls
Rags and Towels
Rubber items (like Latex gloves)
Fat, Cooking Oil, Grease*

*Clothing Labels
Candy/Food Wrappers
Syringes
Cigarette Butts
Kitty Litter
Aquarium Gravel
Plastic Items
Diapers
Paper Towels
Bandages*
