Public Works Department – 541-938-8270, 8272 or 8274

ATTENTION

August 15, 2022

Chip seal street maintenance
is planned to begin
Monday, August 22, 2022.

Work will take place on the following streets:

- Evans Street from NW 4th Avenue to NW 8th Avenue
- NW 6th Avenue from Lamb Street east to Evans Street
- SW 7th Avenue from Pierce Street east to South Columbia Street
- SE 9th Avenue from South Mill Street east to Walnut Street
- SE 11th Avenue
- SE 20th Place

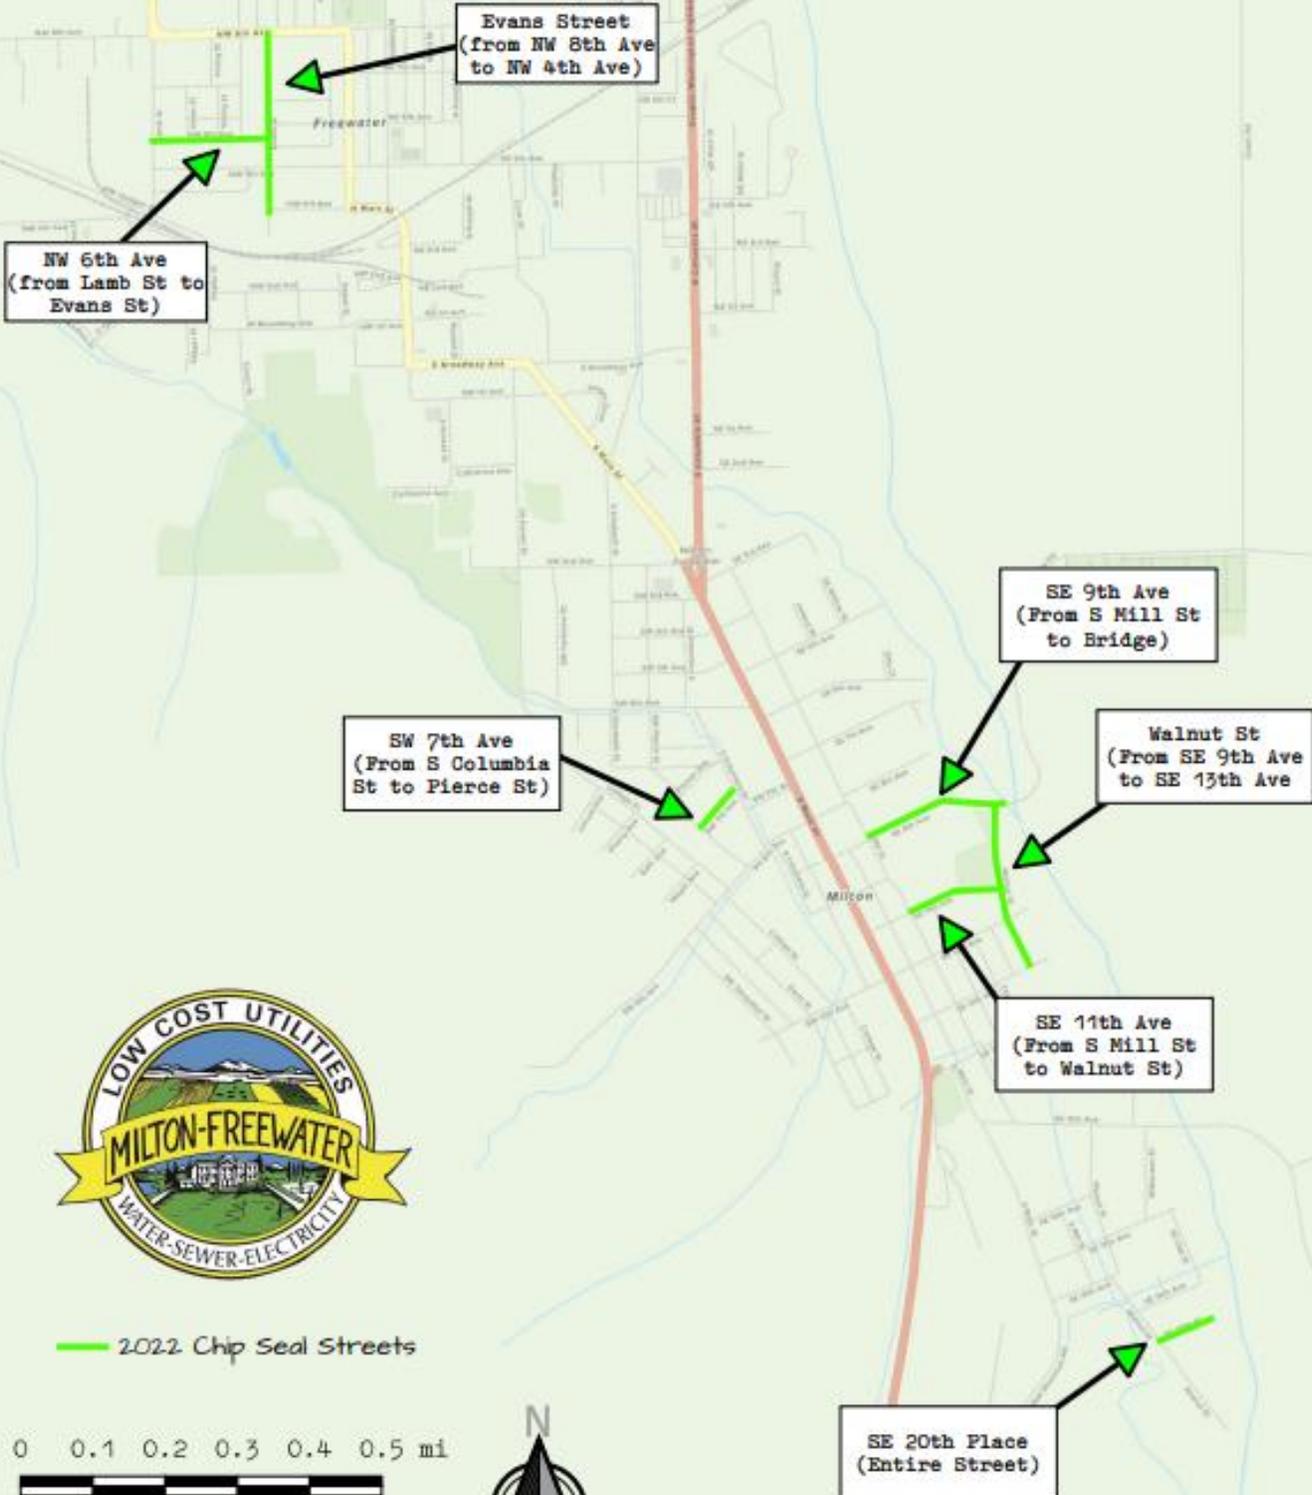

This chip seal project has been contracted to be performed by Umatilla County Road Department. Work is weather dependent and is subject to change. The entire project is estimated to take approximately two (2) days with the possibility of three (3) days.

Funding is provided through State of Oregon House Bill 2017- Keep Oregon Moving.

Please plan to use alternate routes when possible during this time. We also ask that you not blow any materials or lawn clippings into the street after such cleaning preparations have taken place. Please do not allow water to run on the street during this time as well.

We thank you in advance for your cooperation and look forward to the finished result of a new chip seal street surface. Please don't hesitate to contact the Public Works Department at 541-938-8270 or 8274 if you have any questions.
