PaintCare invites households and businesses to drop off leftover paint for recycling. Some of the paint collected will be made available for immediate giveaway; the majority will be recycled into new paint.

Households may bring most types of paint, stain, and varnish in any amount. Paint must be in sealed, original container with original manufacturer label. We cannot accept aerosols, solvents, and other hazardous waste.

Limits may apply to businesses bringing oil-based paint. Visit [www.paintcare.org/business-limits](http://www.paintcare.org/business-limits) for more information.

*Paint in good condition will be made available to the public for free.*
