Question: Cover Letter & Covers/Index

RFP, Page 5, Section 3, 3rd paragraph asks for a one-page cover letter. Please clarify if the cover letter page should be included in the specified page count requirement or if it will be in addition to the specified page count. Please also clarify if proposal covers as well as table of contents/Indexes should be included within the specified page count or if they are exempt from the page count requirement.

Answer: The cover letter and table of contents do count toward the page limit. Proposal covers do not count toward the page limit.
