Need help finding the landfill?

ABSOLUTELY NO hazardous waste, burn barrels, automotive batteries, tires mounted on wheels, televisions or computers. If you have questions, give us a call!

We suggest that you load your waste according to type such as:

- Tires (up to limit, size and off rims)
- Appliances/Metal (ranges, refrigerators, washers, dryers, etc.) These items can also be hauled to the County Rd Recycle Depot during hours all year long for FREE!
- Brush (only natural materials – cannot have paint, stain, nails, etc.)
- Garbage (regular household waste – bag and tie all small items)

This will help expedite the time it takes for you to sort and unload at the site.

ABSOLUTELY NO hazardous waste, burn barrels, automotive batteries, tires mounted on wheels, televisions or computers.

**CONSERVE OUR RESOURCES AND LIMIT WASTE
REDUCE, REUSE & RECYCLE WHEN POSSIBLE!**

DONATE! Gently used items. Sometimes they are repurposed or used for parts to repair items rather than throwing something out and purchasing new.

HAVE A YARD SALE! Try to rehome gently used items that you no longer need and are in working order, you just don't need it any longer but can't bring yourself to throw it away.

BICYCLES CAN BE DONATED! Bring them to our County Rd depot and leave them along the fence by the metal bin and we will donate them to Danner Farms, a local youth mentoring program right here in Milton-Freewater.

Many local charities also take donations of clothing, blankets and other items all year round. Reach out and see if there is something you no longer need that they could use.

Local pet rescue centers sometimes also take donations of items such as blankets and bedding.

DON'T FORGET THOSE ITEMS THAT CAN BE TAKEN TO THE DEPOTS – SAVE THE TRIP TO THE LANDFILL!
County Rd Depot – Open Saturday 10/17 from 8 am to 12 Noon – on your way to the landfill!
